This statement is being filed along with the separate Petition for Revival of an
Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b), attached hereto.

The undersigned attorney for Applicant received a Notice of Abandonment on April 4, 2002, indicating that this application was abandoned on March 21, 2002 for Applicant's failure to timely pay the required issue fee within the statutory period of three months from the mailing date of the Notice of Allowance. Our records indicate that a Notice of Allowance was never received. A copy of our docketing page is attached. Consistent with the above, Applicant maintains that the abandonment of the patent application was unintentional and was only the result of Applicant's failure to receive a Notice of Allowance.

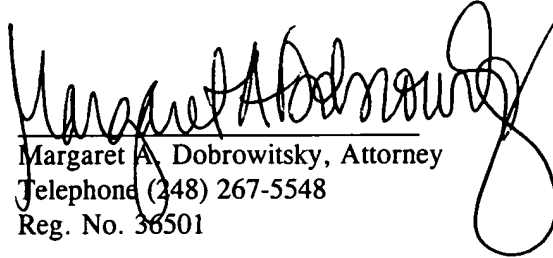

U.S. Serial No. 09/541,849 -- 2

In view of the foregoing, Applicant requests that this case be placed in active status.
